Multiple Choice Questions (MCQs) (for 3rd Term) CLASS: V

SUBJECT: SCIENCE

______ Chapter - 10

Question	1)	Light is a form of(a) colour		(c) energy	(d) all of these
Question :	2)	We see object when lig	ht by an object		(d) none of these
Question	3)	(a) reflects Light travels in a	line. (b) curved	, ,	,
Question -	4)		f light on its own is a		(d) none of these
Question	5)	(a) part Sun and stars are	source of light.	(c) both (a) and (b)	(d) none of these
Question	6)	(a) artificial Which is not natural so	(b) natural	(c) man made	(d) none of these
Question ¹	7)	(a) stars Which is not man made	(b) sun	(c) moon	(c) glowworms
Question	,	(a) stars Which is main source o	(b) sun	(c) candle	(c) both (a) and (b)
Question	,	(a) electricity		(c) sun	(d) all of these
	•	(a) reflection		(c) both (a) and (b)	(d) none of these
Question	•	(a) beam	(b) reflection	(c) diversion	(d) none of these
Question	,	Sound travels in a (a) straight	(b) curved	(c) both (a) and (b)	(d) none of these
Question	•	(a) transparent	aterials can be (b) translucent		(d) all of these
Question	13)		lost all light to pass throu (b) Translucent		(d) none of these
Question	14)	Materials that allow only	y some light to pass throu	ugh it is called	
Question	15)	Materials that do not all	(b) Translucent low any light to pass thro	ugh it is called	(d) none of these
Question	16)	A shadow is formed wh	(b) Transparent en something	the path of light.	(d) all of these
Question	17)	(a) allow Which is transparent m	(b) blocks aterial?	(c) both (a) and (b)	(d) none of these
Question	18)	(a) glass Which is an opaque obj		(c) water	(d) all of these
Question		(a) smoked glass is a translu	(b) wet clothes cent material.	(c) stone	(d) none of these
Question :	20)	(a) Refind oil Objects which give us li	(b) clear water ight are object	(c) ice s	(d) all of these
Question		(a) luminous Which is non-luminous	(b) non- luminous	(c) natural	(d) man-made
Question	•	(a) wall	(b) LED	(c) stars	(d) all of these
	•	(a) sun	when the shadow of the 6 (b) moon	(c) both (a) and (b)	(d) none of these
Question :	,	(a) new moon	occurs on a ni (b) full moon	(c) both (a) and (b)	(d) none of these
Question :	24)	Solar eclipse occurs wh (a) earth	nen shadow of the (b) moon		(d) all of these
Question :	25)	You should never look (a) lunar	at the sun directly during (b) solar		(d) none of these
		. ,	Chapter -		,
			Onapter	<u></u>	
Question	1)		at make your work	 (c) both (a) and (b)	(d) none of these
Question	2)		ery few parts. These are	machines.	,
Question	3)	Which is a simple mach		(c) small	(d) big
Question -	4)		d free to move about a fix		(d) all of these
Question	5)		(b) load d to move an object is ca		(d) all of these
Question	6)	(a) load Lever can th	(b) effort e force	(c) fulcrum	(d) all of these
	•		(b) decrease	(c) both (a) and (b)	(d) none of these
Question	7)		he load and the fulcrum i		(d) all of these

2 (v) Science
The distance between the effort and the fulcrum is called ______.

Question 8)

0		(b) effort arm		
Question 9)		on of fulcrum, load and e		
Question 10)	(a) two A pair of lever is a lever		(c) four	(d) none of these
Question 10)	(a) 1		(c) 3	(d) none of these
Question 11)	See-saw, a balance and	d a pair of scissor are cla	ss lever.	(4) 110110 01 111000
,				(d) none of these
Question 12)	The load is between the	fulcrum and effort	lever	. ,
	(a) class 1	(b) class 2	(c) class 3	(d) all of these
Question 13)	Which is lever of class 2		/ \ -	(1) 11 (1)
0			(c) Tweezers	(d) all of these
Question 14)	A lever of class 2 alway		(a) b atb (a) and (b)	(d) name of these
Question 15)	(a) decrease	ort is between the	(c) both (a) and (b)	(d) none of these
Question 10)	(a) fulcrum	(b) object	(c) force	(d) all of these
Question 16)	Which is class 3 lever?		(0) 10100	(4) 411 01 111000
,			(c) both (a) and (b)	(d) none of these
Question 17)	Class 3 lever, the effort	is always greater than th	e	
	(a) fulcrum	(b) load	(c) both (a) and (b)	(d) all of these
Question 18)	Pulley is a r	nachine.		4.10
O	(a) simple	(b) complex sier by of the	(c) big	(d) none of these
Question 19)	A pulley makes work ea	(b) by increasing	TOICE.	(d) all of those
Question 20)		slope over which a load		(d) all of these
Question 20)		(b) inclined plane		(d) none of these
Question 21)		laces, inclined planes ca		(4) 110110 01 111000
,		(b) slope		(d) all of these
Question 22)	A wheel with a rod attac	ched to it is known as	arrangement.	· ,
	(a) screw	(b) pulley	(c) wheel and axle	(d) none of these
Question 23)	Steering wheel is an ex			
0 0.1)	(a) pulley	(b) inclined plane	(c) wheel and axle	(d) all of these
Question 24)	Which is not a simple m		(-)	(-1) (-1-
Ougation 25)	(a) screw	(b) wheel and axle machine like a nail with	(c) ramp	(d) watch
Question 25)	(a) scrow	(b) lever	(c) both (a) and (b)	(d) none of these
Question 26)		joined together to make		(d) Horie of these
Queener: 20)		(b) complex		(d) none of these
	· , J	· / ·		` '

		<u>Chapter – </u>		
Question 1)	Small harmful living thin	'		
Question 1)	Small harmful living thin	gs are called		(d) none of these
,	Small harmful living thin (a) germs Germs live in	gs are called		(d) none of these
Question 1) Question 2)	Small harmful living thir (a) germs Germs live in(a) air	gs are called		(d) none of these (d) all of these
,	(a) air Have a bath	ngs are called (b) Bacteria (b) water day with soap and water	(c) both (a) and (b) (c) dust	
Question 2) Question 3)	(a) air Have a bath (a) twice a	igs are called (b) Bacteria (b) water day with soap and water. (b) every	(c) both (a) and (b) (c) dust (c) alternate	
Question 2)	(a) air Have a bath (a) twice a In winter we can use	igs are called (b) Bacteria (b) water day with soap and water (b) every water to take ba	(c) both (a) and (b) (c) dust (c) alternate th.	(d) all of these (d) all of these
Question 2) Question 3) Question 4)	(a) air Have a bath (a) twice a In winter we can use (a) warm	igs are called (b) Bacteria (b) water day with soap and water (b) every water to take ba (b) cold	(c) both (a) and (b) (c) dust (c) alternate th. (c) dirty	(d) all of these
Question 2) Question 3)	(a) air Have a bath (a) twice a In winter we can use (a) warm We should trim nail regu	igs are called (b) Bacteria (b) water day with soap and water (b) every water to take ba (b) cold ularly because dirt collect	(c) both (a) and (b) (c) dust (c) alternate th. (c) dirty ts in our too.	(d) all of these(d) all of these(d) none of these
Question 2) Question 3) Question 4) Question 5)	(a) air Have a bath (a) twice a In winter we can use (a) warm We should trim nail regu	igs are called (b) Bacteria (b) water day with soap and water (b) every water to take ba (b) cold ularly because dirt collect	(c) both (a) and (b) (c) dust (c) alternate th. (c) dirty ts in our too.	(d) all of these (d) all of these
Question 2) Question 3) Question 4)	(a) air Have a bath (a) twice a In winter we can use (a) warm We should trim nail regulation (a) fingers Wash your w	gs are called (b) Bacteria (b) water day with soap and water. (b) every water to take ba (b) cold ularly because dirt collect (b) finger nails ith soap and water befor	(c) both (a) and (b) (c) dust (c) alternate th. (c) dirty ts in our too. (c) both (a) and (b) e and after every meal.	(d) all of these(d) all of these(d) none of these(d) none of these
Question 2) Question 3) Question 4) Question 5) Question 6)	(a) air Have a bath (a) twice a In winter we can use (a) warm We should trim nail regulation (a) fingers Wash your w (a) legs	igs are called (b) Bacteria . (b) water day with soap and water. (b) every water to take ba (b) cold ularly because dirt collect (b) finger nails ith soap and water befor (b) hands	(c) both (a) and (b) (c) dust (c) alternate th. (c) dirty ts in our too. (c) both (a) and (b) e and after every meal. (c) eyes	(d) all of these(d) all of these(d) none of these
Question 2) Question 3) Question 4) Question 5)	(a) air Have a bath (a) twice a In winter we can use (a) warm We should trim nail regulation (a) fingers Wash your w (a) legs The germs attack your t (a) cavities	gs are called (b) Bacteria . (b) water day with soap and water. (b) every water to take ba (b) cold ularly because dirt collect (b) finger nails ith soap and water befor (b) hands eeth and form small hole (b) spots	(c) both (a) and (b) (c) dust (c) alternate th. (c) dirty ts in our too. (c) both (a) and (b) e and after every meal. (c) eyes	(d) all of these(d) all of these(d) none of these(d) none of these
Question 2) Question 3) Question 4) Question 5) Question 6)	(a) air Have a bath (a) twice a In winter we can use (a) warm We should trim nail regulation (a) fingers Wash your (a) legs The germs attack your to the capture of the cap	igs are called (b) Bacteria . (b) water day with soap and water (b) every water to take ba (b) cold ularly because dirt collect (b) finger nails ith soap and water befor (b) hands eeth and form small hole (b) spots t a year.	(c) both (a) and (b) (c) dust (c) alternate th. (c) dirty ts in our too. (c) both (a) and (b) e and after every meal. (c) eyes es called (c) marks	(d) all of these(d) all of these(d) none of these(d) none of these(d) none of these(d) none of these
Question 2) Question 3) Question 4) Question 5) Question 6) Question 7) Question 8)	(a) air Have a bath (a) twice a In winter we can use (a) warm We should trim nail regulation (a) fingers Wash your (a) legs The germs attack your to the capture of the cap	igs are called (b) Bacteria . (b) water day with soap and water (b) every water to take ba (b) cold ularly because dirt collect (b) finger nails ith soap and water befor (b) hands eeth and form small hole (b) spots t a year. (b) twice	(c) both (a) and (b) (c) dust (c) alternate th. (c) dirty ts in our too. (c) both (a) and (b) e and after every meal. (c) eyes es called (c) marks (c) never in	(d) all of these(d) all of these(d) none of these(d) none of these(d) none of these
Question 2) Question 3) Question 4) Question 5) Question 6) Question 7)	(a) air Have a bath	igs are called (b) Bacteria (b) water day with soap and water (b) every water to take ba (b) cold ularly because dirt collect (b) finger nails ith soap and water befor (b) hands teeth and form small hole (b) spots t a year. (b) twice and sticky food is	(c) both (a) and (b) (c) dust (c) alternate th. (c) dirty ts in our too. (c) both (a) and (b) e and after every meal. (c) eyes es called (c) marks (c) never in for teeth.	(d) all of these(d) all of these(d) none of these(d) all of these
Question 2) Question 3) Question 4) Question 5) Question 6) Question 7) Question 8) Question 9)	(a) air Have a bath	igs are called (b) Bacteria (b) water day with soap and water (b) every water to take ba (b) cold ularly because dirt collect (b) finger nails ith soap and water befor (b) hands teeth and form small hole (b) spots t a year. (b) twice and sticky food is (b) bad	(c) both (a) and (b) (c) dust (c) alternate th. (c) dirty ts in our too. (c) both (a) and (b) e and after every meal. (c) eyes es called (c) marks (c) never in	(d) all of these(d) all of these(d) none of these(d) none of these(d) none of these(d) none of these
Question 2) Question 3) Question 4) Question 5) Question 6) Question 7) Question 8)	(a) air Have a bath (a) twice a In winter we can use (a) warm We should trim nail regulation (a) fingers Wash your (a) legs The germs attack your to the cavities We should visit a dentistical thrice Aeriated drinks, sweet at the capital of the cavities (a) good Brush your teeth	igs are called (b) Bacteria (b) water day with soap and water. (b) every water to take ba (b) cold ularly because dirt collect (b) finger nails ith soap and water befor (b) hands eeth and form small hole (b) spots t a year. (b) twice and sticky food is (b) bad a day.	(c) both (a) and (b) (c) dust (c) alternate th. (c) dirty ts in our too. (c) both (a) and (b) e and after every meal. (c) eyes es called (c) marks (c) never in for teeth. (c) important	(d) all of these (d) all of these (d) none of these (d) all of these (d) none of these
Question 2) Question 3) Question 4) Question 5) Question 6) Question 7) Question 8) Question 9) Question 10)	(a) air Have a bath (a) twice a In winter we can use (a) warm We should trim nail regulation (a) fingers Wash your (a) legs The germs attack your to the cavities We should visit a dentistical thrice Aeriated drinks, sweet at (a) good Brush your teeth (a) twice	igs are called (b) Bacteria (b) water day with soap and water. (b) every water to take ba (b) cold ularly because dirt collect (b) finger nails ith soap and water befor (b) hands teeth and form small hole (b) spots t a year. (b) twice and sticky food is (b) bad a day. (b) thrice	(c) both (a) and (b) (c) dust (c) alternate th. (c) dirty ts in our too. (c) both (a) and (b) e and after every meal. (c) eyes es called (c) marks (c) never in for teeth.	(d) all of these(d) all of these(d) none of these(d) all of these
Question 2) Question 3) Question 4) Question 5) Question 6) Question 7) Question 8) Question 9)	(a) air Have a bath (a) twice a In winter we can use (a) warm We should trim nail regulation (a) fingers Wash your (a) legs The germs attack your to (a) cavities We should visit a dentist (a) thrice Aeriated drinks, sweet at (a) good Brush your teeth (a) twice Use tongue cleaner to come	igs are called (b) Bacteria (b) water day with soap and water. (b) every water to take bace (b) cold ularly because dirt collect (b) finger nails ith soap and water befor (b) hands eeth and form small hole (b) spots it a year. (b) twice and sticky food is (b) bad a day. (b) thrice elean your	(c) both (a) and (b) (c) dust (c) alternate th. (c) dirty ts in our too. (c) both (a) and (b) e and after every meal. (c) eyes es called (c) marks (c) never in for teeth. (c) important (c) once	(d) all of these (d) all of these (d) none of these (d) none of these (d) none of these (d) none of these (d) all of these (d) none of these (d) none of these (d) none of these (d) none of these
Question 2) Question 3) Question 4) Question 5) Question 6) Question 7) Question 8) Question 9) Question 10) Question 11)	(a) air Have a bath (a) twice a In winter we can use (a) warm We should trim nail regulation (a) fingers Wash your (a) legs The germs attack your to (a) cavities We should visit a dentist (a) thrice Aeriated drinks, sweet at (a) good Brush your teeth (a) twice Use tongue cleaner to co (a) teeth	igs are called (b) Bacteria (b) water day with soap and water. (b) every water to take bate (b) cold ularly because dirt collect (b) finger nails ith soap and water befor (b) hands eeth and form small hole (b) spots tt a year. (b) twice and sticky food is (b) bad a day. (b) thrice elean your (b) finger	(c) both (a) and (b) (c) dust (c) alternate th. (c) dirty ts in our too. (c) both (a) and (b) e and after every meal. (c) eyes es called (c) marks (c) never in for teeth. (c) important (c) once (c) tongue	(d) all of these (d) all of these (d) none of these (d) all of these (d) none of these
Question 2) Question 3) Question 4) Question 5) Question 6) Question 7) Question 8) Question 9) Question 10)	(a) air Have a bath (a) twice a In winter we can use (a) warm We should trim nail regulation (a) fingers Wash your (a) legs The germs attack your to the control of the control (a) cavities We should visit a dentistical thrice Aeriated drinks, sweet at (a) good Brush your teeth (a) twice Use tongue cleaner to control of the control of	igs are called (b) Bacteria (b) water day with soap and water. (b) every water to take bate (b) cold ularly because dirt collect (b) finger nails ith soap and water befor (b) hands teeth and form small hole (b) spots tt a year. (b) twice and sticky food is (b) bad a day. (b) thrice tlean your (b) finger y because it makes your (b) dirt	(c) both (a) and (b) (c) dust (c) alternate th. (c) dirty ts in our too. (c) both (a) and (b) e and after every meal. (c) eyes es called (c) marks (c) never in for teeth. (c) important (c) once (c) tongue	(d) all of these (d) all of these (d) none of these (d) none of these (d) none of these (d) none of these (d) all of these (d) none of these (d) none of these (d) none of these (d) none of these
Question 2) Question 3) Question 4) Question 5) Question 6) Question 7) Question 8) Question 9) Question 10) Question 11)	(a) air Have a bath (a) twice a In winter we can use (a) warm We should trim nail regulation (a) fingers Wash your w (a) legs The germs attack your to (a) cavities We should visit a dentist (a) thrice Aeriated drinks, sweet at (a) good Brush your teeth (a) twice Use tongue cleaner to co (a) teeth Comb your hair regularl (a) dust We have sen	igs are called (b) Bacteria (b) water day with soap and water (b) every water to take ba (b) cold ularly because dirt collect (b) finger nails ith soap and water befor (b) hands teeth and form small hole (b) spots t a year. (b) twice and sticky food is (b) bad a day. (b) thrice tlean your (b) finger y because it makes your (b) dirt se organs.	(c) both (a) and (b) (c) dust (c) alternate th. (c) dirty ts in our too. (c) both (a) and (b) e and after every meal. (c) eyes es called (c) marks (c) never in for teeth. (c) important (c) once (c) tongue hair free. (c) both (a) and (b)	(d) all of these (d) all of these (d) none of these (d) none of these (d) none of these (d) none of these (d) all of these (d) none of these (d) none of these (d) none of these (d) none of these (d) all of these (d) all of these (d) all of these
Question 2) Question 3) Question 4) Question 5) Question 6) Question 7) Question 8) Question 9) Question 10) Question 11) Question 12) Question 13)	(a) air Have a bath (a) twice a In winter we can use (a) warm We should trim nail regulation (a) fingers Wash your (a) legs The germs attack your to (a) cavities We should visit a dentist (a) thrice Aeriated drinks, sweet at (a) good Brush your teeth (a) twice Use tongue cleaner to co (a) teeth Comb your hair regulard (a) dust We have (a) four	igs are called (b) Bacteria (b) water day with soap and water. (b) every water to take ba (b) cold ularly because dirt collect (b) finger nails ith soap and water befor (b) hands eeth and form small hole (b) spots t a year. (b) twice and sticky food is (b) bad a day. (b) thrice clean your (b) finger y because it makes your (b) dirt se organs. (b) five	(c) both (a) and (b) (c) dust (c) alternate th. (c) dirty ts in our too. (c) both (a) and (b) e and after every meal. (c) eyes es called (c) marks (c) never in for teeth. (c) important (c) once (c) tongue hair free.	(d) all of these (d) all of these (d) none of these (d) none of these (d) none of these (d) none of these (d) all of these (d) none of these
Question 2) Question 3) Question 4) Question 5) Question 6) Question 7) Question 8) Question 9) Question 10) Question 11) Question 12)	(a) air Have a bath (a) twice a In winter we can use (a) warm We should trim nail regulation (a) fingers Wash your we (a) legs The germs attack your to (a) cavities We should visit a dentist (a) thrice Aeriated drinks, sweet at (a) good Brush your teeth (a) twice Use tongue cleaner to co (a) teeth Comb your hair regulari (a) dust We have sen (a) four rub your eyes	igs are called (b) Bacteria (b) water day with soap and water. (b) every water to take ba (b) cold ularly because dirt collect (b) finger nails ith soap and water befor (b) hands eeth and form small hole (b) spots t a year. (b) twice and sticky food is (b) bad a day. (b) thrice clean your (b) finger y because it makes your (b) dirt se organs. (b) five s with dirty hands.	(c) both (a) and (b) (c) dust (c) alternate th. (c) dirty ts in our too. (c) both (a) and (b) e and after every meal. (c) eyes es called (c) marks (c) never in for teeth. (c) important (c) once (c) tongue hair free. (c) both (a) and (b) (c) three	(d) all of these (d) all of these (d) none of these (d) none of these (d) none of these (d) none of these (d) all of these (d) none of these (d) none of these (d) none of these (d) none of these (d) all of these (d) all of these (d) all of these (d) six
Question 2) Question 3) Question 4) Question 5) Question 6) Question 7) Question 8) Question 9) Question 10) Question 11) Question 12) Question 13) Question 14)	(a) air Have a bath (a) twice a In winter we can use (a) warm We should trim nail regulation (a) fingers Wash your we (a) legs The germs attack your to (a) cavities We should visit a dentist (a) thrice Aeriated drinks, sweet at (a) good Brush your teeth (a) twice Use tongue cleaner to co (a) teeth Comb your hair regularl (a) dust We have sen (a) four rub your eyes (a) often	igs are called (b) Bacteria (b) water day with soap and water. (b) every water to take ba (b) cold ularly because dirt collect (b) finger nails ith soap and water befor (b) hands eeth and form small hole (b) spots t a year. (b) twice and sticky food is (b) bad a day. (b) thrice elean your (b) finger y because it makes your (b) dirt se organs. (b) five s with dirty hands. (b) Never	(c) both (a) and (b) (c) dust (c) alternate th. (c) dirty ts in our too. (c) both (a) and (b) e and after every meal. (c) eyes es called (c) marks (c) never in for teeth. (c) important (c) once (c) tongue hair free. (c) both (a) and (b) (c) three (c) Some time	(d) all of these (d) all of these (d) none of these (d) none of these (d) none of these (d) none of these (d) all of these (d) none of these (d) none of these (d) none of these (d) none of these (d) all of these (d) all of these (d) all of these
Question 2) Question 3) Question 4) Question 5) Question 6) Question 7) Question 8) Question 9) Question 10) Question 11) Question 12) Question 13)	(a) air Have a bath (a) twice a In winter we can use (a) warm We should trim nail regulation (a) fingers Wash your we (a) legs The germs attack your to (a) cavities We should visit a dentist (a) thrice Aeriated drinks, sweet at (a) good Brush your teeth (a) twice Use tongue cleaner to co (a) teeth Comb your hair regularl (a) dust We have sen (a) four rub your eyes (a) often Never put any sharp ob	igs are called (b) Bacteria (b) water day with soap and water. (b) every water to take ba (b) cold ularly because dirt collect (b) finger nails ith soap and water befor (b) hands eeth and form small hole (b) spots t a year. (b) twice and sticky food is (b) bad a day. (b) thrice elean your (b) finger y because it makes your (b) dirt se organs. (b) five s with dirty hands. (b) Never ject inside your in the second of the se	(c) both (a) and (b) (c) dust (c) alternate th. (c) dirty ts in our too. (c) both (a) and (b) e and after every meal. (c) eyes es called (c) marks (c) never in for teeth. (c) important (c) once (c) tongue hair free. (c) both (a) and (b) (c) three (c) Some time to clean it.	(d) all of these (d) all of these (d) none of these (d) none of these (d) none of these (d) none of these (d) all of these (d) none of these (d) none of these (d) none of these (d) all of these
Question 2) Question 3) Question 4) Question 5) Question 6) Question 7) Question 8) Question 9) Question 10) Question 11) Question 12) Question 13) Question 14) Question 15)	(a) air Have a bath (a) twice a In winter we can use (a) warm We should trim nail regulation (a) fingers Wash your we (a) legs The germs attack your to (a) cavities We should visit a dentistical thrice Aeriated drinks, sweet at (a) good Brush your teeth (a) twice Use tongue cleaner to co (a) teeth Comb your hair regulard (a) dust We have sen (a) four rub your eyes (a) often Never put any sharp ob (a) nose	igs are called (b) Bacteria (b) water day with soap and water. (b) every water to take ba (b) cold ularly because dirt collect (b) finger nails ith soap and water befor (b) hands eeth and form small hole (b) spots it a year. (b) twice and sticky food is (b) bad a day. (b) thrice elean your (b) finger y because it makes your (b) dirt se organs. (b) five s with dirty hands. (b) Never ject inside your (b) ear	(c) both (a) and (b) (c) dust (c) alternate th. (c) dirty ts in our too. (c) both (a) and (b) e and after every meal. (c) eyes es called (c) marks (c) never in for teeth. (c) important (c) once (c) tongue hair free. (c) both (a) and (b) (c) three (c) Some time to clean it.
